"I am sure many of you are aware that this is the sixth edition of the KAG Carnival *Candat Sotong* where in 2013 and 2018 we actually organised two sessions due to its popular demand amongst the KAG members. Hence, technically this makes 2019 as the seventh edition. I believe your past experience would help you in this year's challenge. No doubt, this is one of our most popular activities and the response is overwhelming as we can see from the number of members participating in this year's edition," said Syed Anuar.
